Two weekends to discover, browse and buy local art!

9-10 & 16-17 September

Welcome to the 2023 Ealing Art Trail, with over 200 artists showcasing and selling their work in 72 venues across the borough of Ealing.

Entry is free and artists will be happy to chat with you about their work and possibly give a demonstration of their working techniques and methods.

This guide has five maps to help you plan your visits. Each venue will have distinctive banners and balloons outside to enable you to identify the open studios, whether they be in houses, studios or exhibition spaces in churches, hotels, theatres, shops or cafes.

- **Please check the opening times at the bottom of each entry as some venues are not open for all the standard times and/or dates**
- Check the website STOP PRESS for any recent unforeseen changes
- Check CPZ parking restrictions on www.ealing.gov.uk
- Disability access and venues taking credit cards are indicated on each entry. Look for the credit card icon, otherwise make sure you take cash.

**Wherever you go, whoever you meet, whatever you discover,
have a wonderful few days and enjoy our local art.**
